

The GREAT MIGRATION

TANZANIA

 13 DAYS

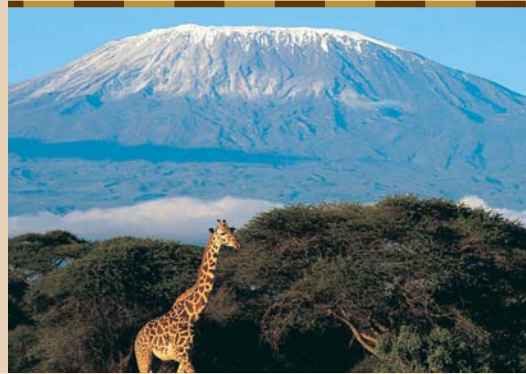

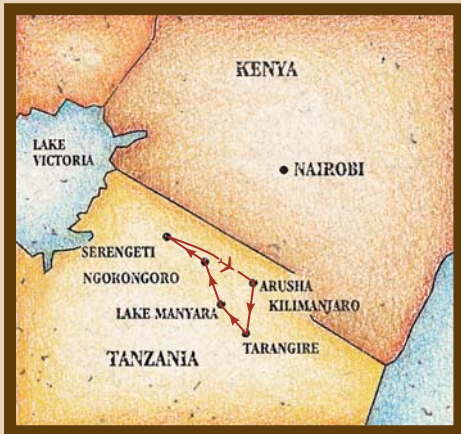

▲ Wildebeest migration, Serengeti

HIGHLIGHTS

- ▶ Select from two levels of accommodation as best suits your personal travel style
- ▶ Observe the more subtle nuances of wildlife behavior, expertly noted by your local guides and professional trackers
- ▶ Explore all the great wildlife regions of northern Tanzania: Manyara, Tarangire, Ngorongoro and the famed Serengeti
- ▶ Discover the smaller denizens of the bush on a thrilling walking safari, where you can learn the ancient skills of tracking and identifying spoor
- ▶ Descend into the most unique caldera in the world: Ngorongoro Crater, often called the Eden of Africa

Just the mention of the name "Serengeti" conjures images in one's mind, "Great Migration", "the hunter and the hunted", "expansive vistas". This safari encompasses the very best of Tanzania. You will revel in all the wildlife viewing opportunities on the fabled plains of the Serengeti, around Lake Manyara, through Tarangire and on the floor of the Ngorongoro Crater. This Tanzanian wildlife adventure will take your breath away.

MEALS

Breakfasts-10, Lunches-10, Dinners-9

DAY 1 Depart USA

Embark on your winged journey to Kilimanjaro, Tanzania.

DAY 2 Arusha, Tanzania

Shake off the jetlag and stretch out for a comfortable night's rest in Arusha.

DAY 3 - 4 Tarangire

Spend two days exploring Tarangire, one of Tanzania's 'secret' wildlife havens...teeming with large populations of elephant, predators and their fleet-footed prey.

DAY 5 Lake Manyara

Enter the Great Rift Valley and Manyara National Park. The lake's waters sustain a bountiful avian population, including flamingoes, along with numerous pods of hippos.

DAY 6 - 7 Ngorongoro Crater

While spending two nights on the rim of the Crater, you'll observe the resident wildlife on the crater floor, walk in the adjacent rolling hills and have an opportunity to interact with the Masai at a local manyatta.

▼ Hippos can outrun humans, traveling 18 to 30 mph

DAY 8 - 11 Serengeti

Your skilled driver knows the Serengeti and where to locate even the most elusive of animals. Morning and afternoon daily wildlife viewing affords you the opportunity to track and photograph the "Big Five".

DAY 12 Depart Kilimanjaro

One last gameviewing opportunity this morning and then fly back to Arusha. Relax, enjoy lunch, or shop for collectibles before your evening departure flight.

DAY 13 Arrive USA

With promises to return to Africa next year!

EXTENSIONS & OPTIONS

Exotic ZANZIBAR (page 51) offers a welcome respite or continue to the remote wildlife regions on REMOTE WESTERN TANZANIA (page 45).
