EGYPT & KENYA

 18 DAYS

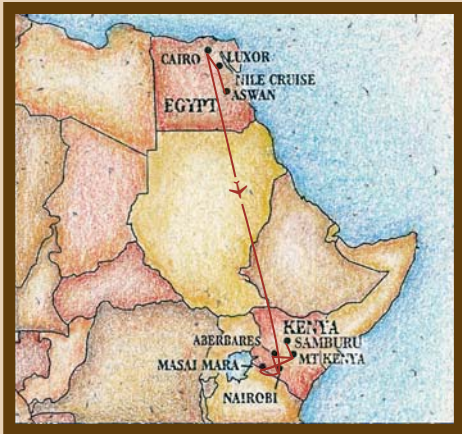

▲ Illuminated Temple of Luxor at night

## HIGHLIGHTS

- ▶ Marvel at the monuments and architectural accomplishments throughout Egypt
- ▶ Envision the era of the great Pharaohs as you sail leisurely along the Nile for four nights
- ▶ Delight in delicious cuisine and warm hospitality as dinner guests in the home of a Kenyan family
- ▶ Visit and shop at the Spinner & Weavers at Nanyuki, a grassroots project that supports a local women's center and children's orphanage
- ▶ Witness the finest of Kenya's wildlife in Samburu and the Masai Mara

This very special journey combines the splendid antiquities of Egypt with the magical wildlife and cultures of Kenya. You'll stand in awe before the ancient pyramids of Giza, which defy modern methods of construction. Sailing the Nile between Luxor and Aswan, you'll enjoy convenient access to many famous temples while witnessing the progression of modern life along the river. Then fly south to Kenya for spectacular wildlife viewing set against the backdrop of breathtaking scenery. Each new day brings another element to enrich your palette of memories - the first giraffe, the first elephant, the first lion - as you explore Kenya's most prolific wildlife regions.
