

BEFORE TRAVELING TO AFRICA, PUT IT IN WRITING

What inspired you to consider an African Safari as your next adventure? Could it have been a movie, a book, a lecturer, an esteemed colleague or a friend? Was there something in the telling that stirred your imagination? Were you able to place yourself in the balloon, on the climb, in the picture, on the drive, in the bush, at the camp, in the village, at the watering hole? Can you hear yourself saying "Wouldn't it be great if", "I would love to", "I've always dreamt of going"?

Here's your opportunity to make sure your Safari has the "who", "what", "where", "when" and "how" questions all answered in your voice. By completing the Perfect Safari Planner below, we will be better prepared to design your African experience to your specifications.
