

# The BEST OF KENYA & TANZANIA

KENYA &amp; TANZANIA

14 DAYS

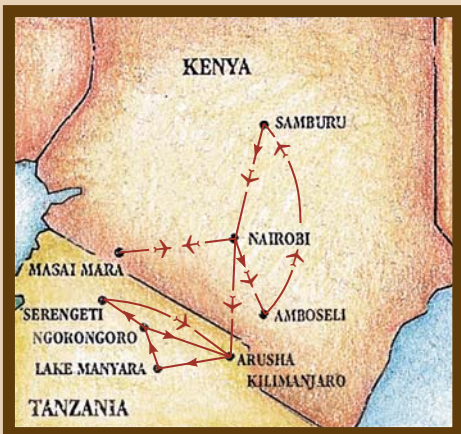

Choose between the Masai Mara or the Serengeti Option depending on the time of year

## HIGHLIGHTS

- ▶ View the best of East Africa's wildlife, its premier national parks and reserves
- ▶ Aerial gameviewing as you fly from point to point
- ▶ Choose between the Masai Mara or the Serengeti – maximizing your game viewing opportunities by following the seasonal migratory patterns
- ▶ Track Africa's prey and predators, hone your bush skills and learn to differentiate between the reticulated giraffe and the Rothschild's giraffe
- ▶ Enjoy a cool drink and companionship while absorbing the palette of an East African sunset

This very special safari has something to offer the first time traveler to Africa or the safari enthusiast planning a tenth wildlife pilgrimage! By choosing between the Masai Mara and the Serengeti, you have the opportunity to model your travels after ancient migratory patterns while relishing in the comfort and service of fine quality lodging featured throughout this thoughtfully paced itinerary.

*“Traveling with African Travel made us feel like royalty. We’ve sung your praises to all our friends.”* A. Colby, CO

### DAY 1 Depart USA

Begin your African experience as you embark on your departure flight, destination: Kenya!

### DAY 2 Nairobi, Kenya

The spirits of Teddy Roosevelt and Winston Churchill watch over you on your first night in Nairobi.

### DAY 3 - 4 Amboseli

Wing south to Amboseli, where you’ll discover local wildlife against the stunning backdrop of Mt. Kilimanjaro.

### DAY 5 - 6 Samburu

From south to north, fly to the semi-arid Samburu region. During your two night stay, you’re bound to see many herds of elephant as well as other species which are unique to the region: reticulated giraffe and the long necked gerenuk.

### MARA OPTION (Best July - November)

### DAY 7 - 9 Masai Mara

Fly on to the fabled Masai Mara for three days of safari activities in the area of the greatest wildlife density anywhere in Kenya.

### DAY 10 Lake Manyara, Tanzania

Today’s flight takes you across the border to Arusha, where you are driven to Manyara National Park. Part of the Great Rift Valley, the area is famed for its prolific birdlife and the elusive tree climbing lions.

### DAY 11 - 12 Ngorongoro Crater

While lodging for two nights at the rim of the Ngorongoro Crater, enjoy an excursion to the crater floor to view the local non-migratory

inhabitants, walk among the adjacent foothills and visit a local Masai manyatta.

### DAY 13 Depart Kilimanjaro

A late morning drive brings you back to Arusha where you relax until the evening departure of your international flight home.

### DAY 14 Arrive USA

With photos and stories to regale your friends.

### SERENGETI OPTION (Best December - June)

### DAY 7 Lake Manyara, Tanzania

Today’s flight takes you across the border to Arusha, where you are driven to Manyara National Park. Part of the Great Rift Valley, the area is famed for its prolific birdlife and the elusive tree climbing lions.

### DAY 8 - 9 Ngorongoro Crater

While lodging for two nights at the rim of the Ngorongoro Crater, enjoy an excursion to the crater floor to view the local non-migratory inhabitants, walk among the adjacent foothills and visit a local Masai manyatta.

### DAY 10 - 12 Serengeti

The legendary Serengeti is your home for the next three nights. Enjoy numerous opportunities to photographically capture your own Big Five as well as other bountiful wildlife species.

### DAY 13 Depart Kilimanjaro

A late morning drive brings you back to Arusha where you relax until the evening departure of your international flight home.

### DAY 14 Arrive USA

With photos and stories to regale your friends.
