Whales & Wildlife Quest

13 DAYS — SOUTH AFRICA

This exceptional safari offers a once in a lifetime opportunity to experience Africa's stupendous wildlife in many different habitats. In Cape Town, youngsters are spoiled with nightly African storytelling, cookie and milk turndown, an evening of complimentary babysitting plus a kid's welcome basket. Onto Grootbos, a marine wildlife reserve, where the whole family can hike, explore in four-wheel drive landrovers and horseback, and play on the beach. The area is among the world's best to view whales, great white sharks and massive colonies of Cape seals. Continue to red-earthed Madikwe Game Reserve boasting superb safaris teeming with lion, elephant and giraffe — to name just a few. The journey is topped off with a stay at the splendid Palace of the Lost City — offering hot air balloon rides, golf, lion and crocodile parks, rhino tracking... unending thrills to crown this family vacation.
