

# Romancing AFRICA

## Intimate Enchantments Of Kenya

### 10 DAYS — KENYA

For a grand style romantic safari, reminiscent of a golden bygone age, this is the Africa of story-tellers, adventurers and explorers. This itinerary combines exquisite bush homes sited on remote private wildlife conservancies with a 1920s luxury tented camp, set against the backdrop of the Masai Mara's sweeping savannah. The three diverse bush homes are living museums, accommodating only a handful of guests, and are as individual and eclectic as their owners. At a private concession, in a corner of the Masai Mara, arrive at your deliciously decadent camp. Opulent white tents are furnished with four-poster beds, ostrich feather filled quilts and 1920s safari antiques. The sounds of the bush and a crackling campfire fill the air as guests dine by candlelight and are served with silver and crystal. Fine French wines partner the gourmet meal and port, cigars and safari tales complete the night.
