

Ultimate INDULGENCES

Feast For The Senses

16 DAYS — MOROCCO & EGYPT

Hidden in the far northwestern corner of Africa is a veritable feast of the senses — Morocco — a dazzling mosaic steeped in African, Arab and Berber traditions with a dash of European refinement. Visitors are fascinated with its wondrous imperial capitals, colorful souks, ancient Kasbahs and exotic century old bazaars with snake charmers and acrobats, medinas and wild Joujoukan trance music. Morocco has it all, including luxurious pampering at the world famous La Mamounia. Your journey continues on to Egypt where your experienced Egyptologist will bring you face to face with the Great Egyptian Pyramids, splendors from the tomb of Tutankhamen and other archaeological treasures in the Valley of the Kings. Egypt is a wealth of history and culture waiting to be discovered on this once in a lifetime journey.

AFRICA!

I see the startling Nile blue
against ochre shores
I hear voices in barter behind
shopkeeper doors
I taste the spice-laden breeze blowing
over the sand
I smell the rich jasmine night
settling over the land
I touch a wall that has stood since
the dawn of man
In this feast of the senses, I find
God's earthly plan
