

# Ultimate INDULGENCES

## Wine, Wildlife & Culinary Impressions

### 12 DAYS — SOUTH AFRICA

Explore the viticulture of South Africa and step back in time to taste wines that were born from grape cuttings smuggled over by the French in the 1600s. Savor award winning vintages and marvel at the beauty of the Cape Dutch architecture. The epicurean delights one will discover include the ultimate mix of exotic spices, game meats and fresh seafood complemented by the dramatic sunsets of Africa. The recipe for this perfect adventure starts in Cape Town at a luxury residence with butler and chauffeur...then continues with stays at a beach estate and exquisite wine chateaux. Enjoy the veritable feast for the eyes — before the program concludes at your dream game lodge. Take pleasure in a cooking demonstration, gourmet starlit dinners and abundant wildlife viewing with skilled rangers and a master tracker. The flavors of Africa will remain on your palate for years to come...
