### Day 1 Arusha, Tanzania

Shake off the jetlag and stretch out for a comfortable night's rest in Arusha.

The lake's waters sustain an abundant avian population, that includes flamingo alongside numerous pods of hippos.

### Day 4 - 5 Ngorongoro

While spending two nights near the

Crater, you'll observe the resident wildlife on the crater floor, walk in the adjacent rolling hills and have an opportunity to interact with the Maasai at a local manyatta.

### Day 6 - 8 Serengeti

Your skilled driver knows the Serengeti and where to locate even the most elusive of animals. Morning and afternoon daily wildlife viewing affords you the opportunity to track and capture that special photo.

### Day 9 Depart

One last gameviewing opportunity this morning and then fly back to Arusha. Relax, enjoy lunch, or shop for collectibles before your departure.
